Is God Testing Us? Examine the Examiner

Different papers. Different clocks. Eternal verdict.

When conversion preachers call this life the one final test, ask:

1 I demand a fair test.

Different beginnings. Different opportunities. Different lengths of life. Where is the fairness?

2 I reject punishment for birthplace.

Judge what people do. Why condemn them for the religion they inherited?

3 I reject excuses for abuse.

A baby's suffering is not an exam paper. Calling an atrocity a test does not justify it.

4 I question an eternal sentence.

How can one unequal chance decide a fate that never changes?

5 I demand repair, not a last-minute "sorry".

An apology does not undo harm. Responsibility requires action.

6 I refuse to surrender reason.

If intelligence helps expose fraud, why punish people for using it?

The Vedic Eeshwar is no examiner.

He does not test us. He elevates us through karma and rebirth. Embrace rational Sanatan Vedic Dharma.

Drop fear. Take responsibility. Rise.

If you want to establish Satya, destroy Asatya and make action that matters a way of life, join The Vedic Leader Yajna.
