No Beef in Vedas

Open the Vedas. Answer the accusation.

Start with the mantras

The article begins with specific protection passages; the claim must face their wording.

Examine Yajna

That is the article's argument, supported here by Dayanand's commentary.

Read. Question. Answer. Read the complete article. Follow the sources. Put the answer into your own words.

No Beef in Vedas

Keep the answer ready.

Read the terms and the prohibitions

The article joins contextual meaning with Yajurveda 13.48.

Answer the objections

The article’s objection is to assuming a meaning before reading the context.

Now use it. Open one linked mantra. Explain the argument to someone who has heard the beef claim.
